

Bio

Darren Kress

Darren resides on their family farm near Odessa Saskatchewan with his wife Jamie and their four children. Out of high school Darren entered the workforce for two years, while still maintaining a presence at the farm and then decided to return full time at the age of 19. In 2011 his father, brother Marvin and Darren amalgamated as Kress Livestock Ltd. Since that time, they have grown and expanded their cow/calf, feedlot and grain operation significantly.

Darren is active on multiple other boards and committees in his community and currently serves as a director on the Odessa Co-op board, President of the Odessa Rec Association as well as the Financial Secretary of the local Knights of Columbus and is a regular volunteer in the community.

Darren wishes to continue in his position on the SKLF Board because of the importance that SKLF is to all producers, including his family farm. He would like to continue to offer his extensive knowledge and experience of the livestock industry to the SKLF Board and its members.
